

BIA Newsletter

November 25, 2011

Entertainment will commence at 6:30pm followed by the Lighting of the Lights at 7:00pm at the cenotaph. Full schedule listed on page two.

Santa will be dropping by to give out goodies to the kids and there will be horse-drawn wagon rides compliments of the New Liskeard BIA.

In order to make this event great we would love to see all BIA businesses participate. Giving out goodies, beautiful window decorations, showcasing a new item, having a sale, having a special guest or door prize draws are just a few ways to get involved.

Please share in a moment of silence on November 11th to remember those that we have lost.
